

CAN YOU AFFORD... TO LOSE A YEAR'S INCOME?

Many companies experience **severe financial loss for EEO violations** that could have been avoided with very little effort. **Federal Prime and Sub contractors must have Affirmative Action Programs** for each establishment. When the AAP is completed in-house its complexities make it a burden.

We have been helping businesses **stay in compliance** with the law for **over 25 years**. Now we would like to offer our services to you.

We can **prepare your affirmative action program** and **train your employees** in Diversity (Title VII), Sexual Harassment, the ADA and other human resource courses in a way that is most **beneficial to your business** with out costing a fortune. Enclosed please find a copy of our brochure discussing who we are and the services we offer.

If we can be of service to you, please give us a call at (800) 633-4775 or send e-mails to customerservice@rplmri.com. Additional information can be found on our website at www.rplmri.com.
